

Bellevue Props. brokers 17,000 s/f to Peebles

VENTNOR HEIGHTS, NJ — When Bradlees closed its doors in 2000 due to the company's bankruptcy, a gaping 75,000 s/f void was left behind in Ventnor's major shopping center, Ventnor Plaza on Wellington Ave. Now, thanks to Bellevue Properties Group, that void will be partially filled with two nationally known retailers.

The anchor tenant will be Peebles, a department store specializing in name brand apparel, accessories, footwear and more for the entire family. This store will occupy 17,000 s/f and will be Peebles' seventh location in NJ, including one in Rio Grande, Cape May County. Nationally, the company has more than 660 stores in 33 states and operates under the Bealis, Palais, Royal and Stage names throughout the South Central states, and under the Peebles name throughout the New England, mid-Atlantic, southeastern and Midwestern states. ■
